Dear Parent/ Guardian,

**Re: UPDATE ON THE ONLINE LEARNING.**

1. Online classes will begin with Term I work which was not completed due to abrupt ending of the term.
2. After completion of first term material, we are to embark on Term II syllabus.
3. We should also not overlook the fact that the school has invested heavily on the equipment to enable the online lessons to go on smoothly for the benefit of the learners.
4. More still, due to the limited movement during this period of the COVID-19, the school will take up the responsibility of accommodating the teachers.
5. During the first week of the online teaching, there will be induction and revision of the holiday work.
6. We shall issue a time table for online classes which will be flexible where need be.
7. Class sizes shall be 40:1 if need be after monitoring we shall re-evaluate.
8. Increasing cost of operations due to COVID-19.
  - I) Investment in protective items.
  - II) Investments hardware in order to have the infrastructure setup at the school.
  - III) The global pandemic has forced society to change its way of doing things.
  - IV) This is now the new norm.
